Ron submitted it via the special email box. I revised to fit the format; it's attached. Let me know if you have any comments. Thanks!

Stacie - I cut the stormwater paper pretty significantly. I was focused on PA when I made the request and that's where most of the interest has been coming from. Attaching a track changes version and a clean version.

Do you have the Dimock paper from HSCD?

Stacie,

As requested, please find budget hot issue papers for stormwater enforcement and CAFOs. Please advise if you need revisions or additions to these documents. Thanks.
